PERU POLICE DEPARTMENT

VOLUNTARY WITNESS STATEMENT

Case #

Madeline came home,
it was later in the day around 5/6 o'clock.
She appeared to be touching herself to
become sexually aroused. She penetrated and
rubbed, with her, legs spread way open,
her genitals right in front of me.
I took a video and asked that she
explain what she was doing and where
she learned ~~that~~ from. This has happened to
me before, where my daughter has come back
after being w/ her father and acting + verbalizing
similar sexual things. She stated, on this time
and multiple other occasions that her daddy
Rubs his finger down on her crotch, and also
on her underwear. But this time was worse
than anytime I had seen before. I Knew
she didnt want to talk about it so it was hard
to get proper documentation on video or audio.
She also stated this evening "taws my cock."
when playing w/ toy thermometer + putting it in my mouth.
She also made herself gag and ~~coke~~ choke
insessently while putting toys deep inside her
mouth and back of her throat.
+ more incidents continue to happen where I've seen him touching her genitals

I have read the above statement consisting of 1 pages and attest that it is a true and accurate account of the events which took place on or about 3-27-16. It was given to me voluntarily, without any fear of threat of promise of reward.
